SPECIAL RULES AND REGULATIONS

1. Code of Conduct: Each exhibitor and his/her family participating in Mississippi Junior Livestock Shows is a representation of several thousand 4-H and FFA Beef, Dairy, Sheep, Goat and Swine Project Members in the State of Mississippi. Each exhibitor and his/her family must accept the responsibility of creating a positive image which reflects the 4-H and FFA ideals. The show management reserves the right to send any junior exhibitor home with his/her exhibit if he/she or any other family member is guilty of conduct unbecoming the junior livestock shows. Also, any exhibit shown prior to misconduct will not be eligible for premium money, placings or awards. The next high placing animal will not be advanced.
2. Code of Ethics: In order to maintain a high degree of confidence and integrity of our Mississippi Junior Livestock Shows, any animal found to have been fitted, cared for, or shown in an unethical manner shall be disqualified and the exhibitor shall forfeit all awards, premiums and sale money. The exhibitor and his/her parent(s) or guardian(s) may be barred from participating in future shows. Furthermore, the Show Management and Rules Committee may impose such penalties as the Committee deems appropriate.

Animal Inspection

The Show Management shall have the authority to inspect and conduct any tests on any animal entered in the show. Specifically, management has the authority to inspect any animal entered in the Sale of Junior Champions, its hide or carcass, to collect blood, urine, body fluid, tissue and/or any other laboratory analysis deemed necessary. The exhibitor, and his/her parent(s) or guardian(s) or designated volunteer leader, must be present during the collection of samples for testing, sign necessary paperwork, and verify the sample to be properly collected and prepared for analysis. All specimens, which are taken randomly or from sale animals, must be sealed and the seal signed by the parent and/or exhibitor and the sample taker. The parent and/or exhibitor must be present with the specimen until it is sealed. Testing results will be disclosed to the exhibitor and family and their County Extension Office.

As a condition for participation in the show and sale, every exhibitor, by entering an animal, agrees his/her animal may be inspected and subject to any laboratory analysis or any other tests. Furthermore, every exhibitor agrees that the conclusions reached and actions taken by the Inspection Committee and Rules Committee shall be final, without recourse against show officials, the Rules Committee, the Inspection Committee, or buyers. The Inspection Committee shall be appointed by the Extension 4-H Livestock Specialist and made up of the Extension veterinarian or designed veterinarian of the MSU College of Veterinary Medicine, area livestock agent, and 3 to 5 additional Extension Agents/Vo -Ag advisors. (This committee is also referred to as the drug testing committee).

Use of Drugs

~~—Any exhibitor and his/her parent(s) or guardian(s) are responsible for the care and custody of the exhibitor's animal(s). The drug test results of the testing laboratories are final and binding upon the exhibitor and the exhibitor's parent(s) or guardian(s).~~

~~—All medication administered during the Mississippi State Fair or Dixie National Junior Round-Up livestock shows must be administered by a licensed veterinarian. Parents or guardians of the exhibitors will only be responsible for the cost of medications. Show management will maintain a list of large animal veterinarians in the general area and other veterinarians who often participate in the livestock show. In regard to the Mississippi State Fair Junior Livestock Shows and the Dixie National Junior Livestock Shows, no medications or other substances and no tools or equipment used to administer medications or other substances are allowed on the property known as the Mississippi State Fair Grounds, except those in the possession of a licensed veterinarian.~~

~~—Animals treated with any medication within 60 days prior to or during the Mississippi State Fair Show or the Dixie National Junior Round-Up Show including, but not limited to, over-the-counter medications, medicated feeds, dewormers, prescription medications, and extra-label drug use medications, must have a completed health record form listing all products and treatments received. This form can be obtained from the MSU Extension Service county offices. Exhibitors with questions regarding medications and/or eligibility requirements should consult the Extension Veterinarian or Show Management prior to competition.~~

~~—All animals entered in the show are subject to blood, urine and tissue tests by the show management, FDA and USDA for illegal substances and substances that exceed the acceptable levels established by the United States Department of Agriculture, the Food & Drug Administration, the Food Animal Residue Avoidance Databank, and the Environmental Protection Agency. Any animal that has received any performance-enhancing drug(s) (i.e., including but not limited to steroids, diuretics, anti-inflammatory drugs, tranquilizers, or pain killers) shall not be eligible to show until the drug's(s') recommended withdrawal time has expired. A positive test will result in the disqualification of the animal; forfeiture by the exhibitor of all titles, awards, premiums, sale proceeds and scholarships; and the exhibitor being barred from any further participation in any state sponsored shows. A second offense in the same immediate family will result in the barring of the entire family of the exhibitor from further participation in any state supported shows.~~

~~—Protests concerning unethical procedures, the basis of which requires inspection of hide, carcass, and/or laboratory tests of blood, urine, other body fluid, and/or tissues, must be submitted to the Show Manager within 1 hour after the end of the show involved, and must be accompanied by a cash deposit of \$200 which will be forfeited if the protest is not sustained.~~

~~—Where a disqualification is made after official placings are announced, the placings, awards, premiums, and sale of the disqualified animal will be declared void and the next high placing animals WILL NOT be advanced. Protests concerning unethical procedures, the basis of which do not require carcass inspection and/or laboratory tests of blood, urine, other body fluids, and/or tissue, must be submitted to the Show Manager before official placings of the class are announced.~~

~~—For protests claiming unethical practices, the Show Manager shall appoint a committee, which includes at least one veterinarian, to inspect the animal or carcass and to conduct any tests deemed necessary. The Show Manager and Rules Committee will follow a course of action based on the findings and conclusions of the Inspection Committee.~~

Use of Drugs

(as adapted from the National Code of Show Ring Ethics)

Legal or illegal substances used to physically alter the appearance of an animal entered in livestock events are prohibited. Use of illegal drugs is considered a pre-meditated act! Furthermore, any information obtained on the practice of illegal alteration of an animal will be turned over to the proper authorities for criminal prosecution. THIS IS A ONE STRIKE AND YOU ARE OUT POLICY! Violation of this rule may result in an exhibitor forfeiting any premium, awards, or auction proceeds and being prohibited from further competition at officially sanctioned livestock shows in Mississippi, as well as being subject to criminal prosecution if proven guilty. A second offense in the same immediate family may result in the barring of the entire family of the exhibitor from further participation in any state supported livestock show.

With Rule Changes Detailed, New Language in Red

The use by non-veterinarians of animal drugs or other substances in any manner other than in accordance with the labeling approved by the Food & Drug Administration (FDA), the United States Department of Agriculture (USDA), and/or the Environmental Protection Agency (EPA) is a violation of federal law. Exhibitor and exhibitor's parents and/or guardians agree that:

- (1) They are absolutely responsible for the care and custody of their animals
- (2) The show management of the Mississippi State Fair and the Dixie National Junior Round-Up livestock shows shall be entitled to disqualify any exhibitor whose animal tests positive for any drug, even if the exhibitor and the exhibitor's parents or guardians are innocent of any wrongdoing and did not administer the drug
- (3) The drug test results of the testing laboratories are final and binding upon the exhibitor and the exhibitor's parents and/or guardians. Even if the source of the drug is unknown, the Show Management of these livestock shows shall be entitled to disqualify the exhibitor.

Animals receiving performance-enhancing drugs (including, but not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and pain killers) prior to entering the show grounds for which the withdrawal period has not been met, are ineligible for competition. Also, animals shall not be treated with these products while on the show grounds. The term "drug" shall mean any substance for which the sale, possession or use is controlled by license under federal, state, or local laws or regulation and any substance commonly used by the medical or veterinary professions that affects the circulatory, respiratory, musculo-skeletal or central nervous system of any species of livestock. If drugs are used by a licensed veterinarian to treat a recognized disease in market animals, the recommended and/or established withdrawal times for that drug will be strictly followed.

All exhibitors shall document the use of any drugs and/or medications administered to animals entered into these livestock shows by using the appropriate animal health forms (described below) from the MSU Extension Service. All animals entered into these livestock competitions shall be subject to blood, urine, and/or tissue testing by Show Management, FDA, and USDA for foreign substances. Any animal that exceeds acceptable levels established by the appropriate regulatory agencies, such as the USDA, FDA, and EPA, will be in violation of these rules and appropriate action will be taken.

All extra-label uses (including use in a non-label species) of medications must be by or under the direction of a licensed veterinarian in order to comply with FDA guidelines for extra-label drug use. **Federal regulations prohibit animal owners from administering medications in any manner not consistent with the approved label.** Any deviation from approved label indications for disease treated, species of animal, dosage, route of administration, duration of administration, etc. constitutes "extra-label" drug use. Veterinarians should follow the criteria outlined by the Animal Medicinal Drug Use Clarification Act (AMDUCA) when using extra-label drugs on livestock. This requires that the veterinarian identify the animal treated, the condition(s) being treated, the name and active ingredient of the drug used, along with its dosage and appropriately extended withdrawal period. Withdrawal periods for extra-label drug use may be obtained from the Food Animal Residue Avoidance Database (FARAD). Forms to properly document extra-label drug use are available from the MSU Extension Service county offices.

At any time after an animal arrives at the Mississippi State Fair or Dixie National Junior Round-Up livestock show premises, all treatments involving the use of drugs and/or medications, shall be administered by a licensed veterinarian and a written medication record must be filed with livestock show management office. Animals receiving performance-enhancing drugs (as outlined above) are ineligible for competition. Show management will maintain a list of large animal veterinarians practicing in the general area and other veterinarians who often participate in the livestock show. There shall be a licensed veterinarian, appointed by the State Veterinarian's office, on call during the above mentioned livestock shows. The appointed veterinarian on call will be available on the fairgrounds during specified hours as posted in the livestock office. Parents or guardians of the exhibitors who use the services of this appointed veterinarian will only be responsible for the cost of medications. **No medications or substances, as well as tools or equipment used to administer medications or other substances, are allowed on the property known as the Mississippi State Fair Grounds during the Mississippi State Fair and Dixie National Junior Livestock Shows, except those in the possession of a licensed veterinarian.**

Animals treated with any medication within 60 days prior to or during the Mississippi State Fair Livestock Show or the Dixie National Junior Round-Up Livestock Show including, but not limited to, over-the-counter medications, medicated feeds, dewormers, prescription medications, and extra-label drug use medications, must have a completed health record form listing all products and treatments received. This form can be obtained from the MSU Extension Service county offices. Exhibitors with questions regarding

With Rule Changes Detailed, New Language in Red

medications and/or eligibility requirements should consult the MSU Extension Veterinarian or show management prior to competition.

Unethical Fitting shall include, but not be limited to:

- A. Any injection of air, gas, liquid, solid or any other foreign material under the hide or into the muscle.
 - B. Surgery of any kind to change the natural contour or appearance of the animal's body. Not included are the removal of warts, teats, horns, docking of tails, trimming of hooves, clipping of hair or wool, or any medical practice deemed necessary for health reasons, performed and verified by a veterinarian.
 - C. Use of any product, such as but not limited to, ice, ice water, alcohol, aerosol coolants, ether, ice packed towels, wet towels, etc.; and any other abnormal/artificial procedure or practice to change the degree of firmness, muscle tone or mass, and/or weight of the animal.
 - D. Any attempts to disrupt or change normal dental development.
 - E. No dying, coloring or color masking products shall be used as grooming products. Not included are the dressings applied to horns and hooves.
 - F. Use of any illegal substance or procedure that results in condemnation of the carcass.
 - G. Any use of the added hair or added material, natural or man made. This includes, but not limited to, artificial tail heads, polls, switches, and gluing of natural hair to any part of the body.
 - H. Striking an animal to cause swelling.
 - I. Drenching or administering substances internally or treating an animal, externally with an irritant, counterirritant or other substance used to artificially change the natural conformation or appearance of the animal or to cause swelling or change in contour or handling qualities for show is considered unethical, inhumane, and is prohibited. However, if an animal requires treatment at the recommendation of a veterinarian, this treatment must be done in the presence of the show manager as outlined above.
 - J. Balancing the udder by any abnormal means including the use of a mechanical contrivance or the injection of fluid or drugs, setting the teats and/or occluding (sealing the ends) with a mechanical contrivance or with the use of chemical preparation, treating, or massaging the udder or its attachments with an irritant or counter-irritant will not be permitted. The use of common products such as fly spray, ointment or liniment in excess to the extent that it is irritating is included as an irritant.
 - ~~K. The administration of any substance, which is not considered a normal animal husbandry practice, is prohibited. The addition of electrolytes to animal drinking water is not prohibited. However, if an animal requires emergency treatment while on the show grounds, a licensed Veterinarian may administer medications as needed.~~
 - K. Do not misrepresent the age of the animal for the class in which it is shown. Commercial heifers must follow the tooth rule as stated in the premium book of the show. Birth dates, transfer dates, and other information on registration certificates of registered animals must be correct.
 - L. Exhibitors, groups, or any individual switching animals at any time, and changing ear tags or other forms of identification will be barred from showing and will forfeit all prizes, premiums and sale money.
 - M. Showing an animal for another individual by claiming ownership is prohibited. False ownership is illegal.
 - N. The use of inhumane fitting, showing and/or handling practices or devices is not acceptable.
 - O. Criticizing, interfering with or improper contact with the judge before, during, or after the event; criticizing or interfering with other exhibitors, breed representatives, or show officials before, during or after the event may result in an individual, his family or group being expelled, placed on probation, declared ineligible or barred from exhibiting at or attending an event or future events.
3. Exhibitors, leaders and agents should present a positive image for the junior livestock program and dress accordingly in the show ring and at the Sale of Junior Champions. All exhibitors are required to wear collared shirts, which must be tucked into pants or knee-length skirts while exhibiting in the show ring and/or participating in the Sale of Junior Champions. No T-shirts, sagging pants, sandals, halter or open front tops, or other inappropriate type attire will be allowed in the show ring or at the Sale of Junior Champions.
 4. Each exhibitor shall clip, groom, and dress his/her own animal throughout ownership period and while at the Mississippi State Fair, Dixie National Junior Roundup Livestock Show and any District Junior Livestock Show ("shows"). However, an exhibitor may be assisted in the clipping, grooming or dressing of his/her animal by his/her immediate family (limited to parents, legal guardians, grandparents, brothers, sisters, aunts, and uncles), county extension agents, agricultural educational teachers, other eligible 4-H or FFA exhibitors or volunteer leaders (un-paid), who are permanent residents of Mississippi and are officially certified by the county

With Rule Changes Detailed, New Language in Red

- extension agent or agricultural education teacher. It is unethical to pay anyone to assist in grooming or fitting of animals. In addition, exhibitors and their animals may attend dressing, grooming and showmanship workshops or clinics where experienced persons may teach exhibitors how to prepare themselves and their animals for shows. However, no animal to be shown at any of the shows shall be taken to any such workshop or clinic within 10 days prior to the show at which the animal will be shown. An educational workshop or clinic is defined as a group training session which is available to all exhibitors within a certain county, area or district. Such educational workshops or clinics may consist of lectures, demonstrations, and hands-on experience by the participants. This rule does not apply to the removal of horns or the trimming of hooves.
5. Stalling Procedures: Stall space for beef cattle, dairy cattle, sheep, goats and hogs will be assigned by the Show Management. Reserving stall space will not be allowed. Check with Stalling Superintendent upon arrival for stall assignments.
 6. Only youth residing in Mississippi, ages 8 through 18, who are bona fide members of a 4-H club or FFA chapter within the state are eligible to show. Exhibitors must be at least 8 years old before January 1 of the current year and must not have passed his/her 18th birthday before January of the current year. Exhibitor's age is determined by the exhibitor's age on December 31 preceding the current calendar year in which the show is held. (Not necessarily age on show day.)
 7. All livestock entries must be made by the exhibitor's supervising Extension Agent or FFA Advisor. Entry instructions will be provided to the Extension Agents and FFA Advisors prior to deadlines.
 8. The eligibility of exhibitors will be determined by the supervising Extension Agent/FFA Advisor who certifies that the youth exhibitor is taking care of his/her animal. Exhibitors must maintain continuous ownership, and care of his/her animals from the time of ownership deadline until show day.
 9. Animals, which are owned jointly on a partnership basis with an adult, are not eligible to show in the **(State Fair, District Shows or)** Dixie National Junior Round-Up. FFA and 4-H members must be individual owners of any animal which they exhibit unless 2 or more brothers or sisters, each 18 years of age and under as of January 1 of the current show year, of a family, constitute a partnership in ownership of the animal. Animals must be registered in individual names and not in the name of a farm, partnership or other entity.
 10. All registered beef and dairy breeding animals must be accompanied by original registration certificate showing that animal is owned by the junior exhibitor. Such certificate must be presented to the show superintendent or entry clerk for checking positive identification and to establish eligibility for showing. Animals without registration papers presented will not be permitted to show. Breed associations and management reserve the right to check animal tattoos or brand with registration papers.
 11. Before any animal is shown by a junior at the **(State Fair, District Livestock Shows and the Dixie National Junior Round-Up)**, the animal must be entirely owned by and cared for by the exhibitor. After ownership deadline, the animal shall not be shown in its individual class at any show by anyone other than the junior owner, a member of the immediate family, or another junior. And further, before any animal shown by a junior is entered upon the books of the respective show, the Extension agent in charge of the county 4-H work or vocational agricultural instructor will certify that this animal has been in the junior exhibitor's possession for the length of time as heretofore stated and that the agent or instructor has checked the tattoo number of the breeding animal to be shown against the registration papers of said animal and that the tattoo number and date of birth in the registration papers corresponds with the information on the entry.

12.(A. Ownership deadline date to be changed to September 1st for the following: Commercial Beef Heifers, Market Goats, Market Lambs and Market Steers.

B. Entry Form deadline to be changed to September 6th, to be submitted to County Extension Offices.

13.Classification, Tagging and approved Animal I.D. method to be determined by Show Management (either, or) nose printing, optical imaging, EID, etc. schedule below will be established after ownership deadline each year, recommended for 2006 as follows:

Southeast District	September 11
Southwest District	September 12
Delta District	September 13
Northwest District	September 14
Northeast District	September 14

A detailed schedule with locations, dates and times will be released to County Extension Service offices and FFA advisors at least one month prior to classification event.

Participation at anyone of the five locations is required to be able to show in District Shows, State Fair and Dixie National Junior Round Up. Classification will be conducted by professionals. Classification in September will stand through Dixie National Junior Round Up.)

14. All animals in junior division must meet health requirements governing admission of livestock entering fairs or livestock shows. Official Health Certificates will be checked on all breeding and market animals by the Mississippi Board of Animal Health. If papers are not in order, animals cannot be unloaded.
15. All animals must show a reasonable amount of fitting to be eligible for premium money.
16. All Jr. Exhibitors showing bulls must use a nose lead or the animal cannot enter the show ring. **(All junior exhibitors with a bull must use a nose lead on the bull at any time the animal is moved from the stalling area while on the fairgrounds. The only exception to having a nose lead in place is while being tied in the stalling area with a halter and neck rope. Nose leads are not required for heifers or steers and are not allowed for showing heifers or steers.)**
17. All beef and dairy cattle (beef breeding, commercial beef heifers, commercial dairy heifers, purebred dairy cattle and steers) will be shown with a leather show halter in the show ring. No nylon or rope halters and no nylon or rope leads will be allowed by exhibitors in the show ring.
18. Any beef breeding animal not having a legible tattoo, correct tattoo, or brand will be disqualified.
19. If a breed (breeding or market) shows fewer than 10 animals for 2 consecutive years, then that breed will lose its separate classification and be shown in the other breeds classification. If a breed shows 10 or more for 2 consecutive years, then that breed will receive a separate (breeding or market) classification. Other breeds lambs will show with the breed that has the smallest average number of animals shown for the past two years.
20. No market animal shall be shown at any state supported show that has been shown in any other show under different ownership.
21. Protests: All protests must be made on an official protest form available at the livestock show office. Protests must be made and signed by the person(s) protesting. The protest must designate the exhibitor and animal involved and the specific rule or regulation that the exhibitor and/or animal is violating. Protests not requiring carcass inspection and/or laboratory tests must be accompanied by a ~~\$25.00~~ **(\$100)** cash deposit (which will be forfeited, if protest is not sustained) and submitted to the show manager before official placings of the class involved are announced. Protests concerning unethical procedures, the basis of which requires inspection of hide, carcasses, and/or laboratory tests must be accompanied by a ~~\$200.00~~ **(\$500)** cash deposit (which will be forfeited, if protest is not sustained) and submitted to the show manager within one (1) hour after the end of the show involved.
22. Rules committee for the Junior Round-Up will consist of the following people: (1) co-manager of junior show (4-H), (2) co-manager of the junior show (FFA), (3) superintendent of department involved, (4) Livestock Director, Mississippi Fair Commission, (5) producer representative. All decisions of the Rules Committee are final. The Producer Representative is appointed by the Extension 4-H Livestock Specialist and is any person that produces the livestock that is being dealt with at a particular time.
23. No adult, other than ring man, show officials, and judge, are allowed in show ring.
24. Exhibitors must show their own animal or animals. The only exceptions are in cases where the exhibitor has two entries in the same class or is showing in another breed or specie at the same time, and if the exhibitor is physically disabled (illness or injury) at the time of the show or in case of the death of a Junior Exhibitor after the ownership deadline. In such cases, the exhibitor or parent may request a substitute show person. It is the responsibility of the parents, adult leaders, 4-H agents, and FFA instructors, not only to see that their exhibitors abide by these rules, but that others do so

With Rule Changes Detailed, New Language in Red

also. All exhibitors must report to the class make-up area, whereby animals and exhibitors are checked to determine that the owner is showing his/her own animal before they enter the show ring.

25. Exhibitor or parent requesting a substitute show person must make such request to show management before time of class and complete a request form available at the livestock office. This form must be completed and presented to show management prior to animal entering the holding area. Substitute show person must be another junior exhibitor. Failure to present request prohibits animal from showing.
26. Animals, which are not properly trained and under the control of the exhibitor may be dismissed from the show ring.
27. Where a heifer has calved and the calf is exhibited with its dam, the calf must be on halter and under control of the exhibitor or the exhibitor's assistant.
28. All cattle must be tied in stalls with a halter and "neck rope." Exhibitors not following this rule will forfeit premium money.
29. Exhibitors must show their own animal in showmanship classes and animals must be properly entered in show.
- ~~28. All junior swine must be in place by 6:00 p.m. on Thursday, February 2, 2006. All dairy cattle must be in place by 11:00 a.m. on Friday, February 3, 2006 and must be removed from barns at end of show on Saturday. All steers and commercial beef heifers must be in barns by 12 Noon on Sunday, February 5. All junior beef breeding animals must be in the barns by 6:00 p.m. on Sunday, February 5, 2006. Lambs must be in barns by 11 a.m. on Monday, February 6. Note: No lambs to arrive before 1:00 p.m. on Sunday, February 5. All market goats must be in the barn by 2:00 p.m. on Monday, February 6, 2006. All dairy goats must be in the barn by 10:00 A.M. on Wednesday February 8, 2005.~~
30. All registered beef breeding animals must meet the percentage of blood to be considered purebred, or meet the minimum percentage accepted by the respective breed association in their association sponsored shows. Certificates must be presented to the entry clerk to verify that the animal meets the minimum percent required by that breed association as listed below:

Breed	Bulls	Females
Angus	100%	100%
Beefalo	15/16	7/8

31. Class size for all market animals (except steers) is based on the following:
 - a. Average number of exhibits for a breed/species, using the past 3 years.
 - b. If a breed/species shows a 3-year average of 15-30, that breed/species will be divided in 2 classes as near equal as possible. When 2 or more animals of the same weight occur at a break point, both will be placed in the lighter weight group.
 - c. When uneven numbers occur the odd number will go in the lightweight group.
 - d. If a breed/species shows a 3-year average of 31 or over, that breed will be divided into as many classes of a multiple of 20 as necessary.
32. Straw is not allowed for bedding beef and dairy cattle in the stalls. All cattle will be bedded on bedding material furnished by the Mississippi Fair Commission.
33. Any exhibitor or parent who individually, or through some other person, violates any of the show rules, and that violation is upheld by the Show Management and Rules Committee, may be subject to forfeit all premium money, may be barred

With Rule Changes Detailed, New Language in Red

from participation in future shows, and to such other penalties that the Show Management and Rules Committee may deem in order.

34. Arrival and release times are determined by the Management and the Mississippi State Fair Commission in an effort to make the best use of available space and to provide the best possible show for all exhibitors, and the general public. Exhibitors are expected to keep their livestock on display until designated release time.
35. Decisions of judges will be final.
36. Ribbons will be awarded as designated in the catalog.
37. Exhibitors of livestock, to be eligible to receive premiums, will, upon request of the show management, permit use of their animals for scheduled judging contests.
38. No tie outs of cattle permitted until 5:00 p.m. each day.
39. Barn Rules: Exhibitors of livestock are required to keep the area occupied by them (stalls, pens, aisles) neat and attractive in appearance. Area must be cleaned before 9:00 a.m. each day. Show Arena is to be used only for showing and exercising animals. No tying out or feeding of animals in show arena is allowed. Also, no animals are to be fed or tied out in area next to arena or along walkways. Exhibitors who violate these rules are subject to penalties as outlined in Rule 33.
40. No scooters, roller skates, roller blades, skate boards, bicycles or motorized scooters will be allowed in the barn except for equipment for the handicapped.
41. No electric power generators are allowed in the livestock stall barns.
42. All livestock judges that are selected will ~~not~~ be publicly ~~or privately~~ announced ~~until~~ (as soon as hired, prior to) the Dixie National Junior Round-Up and the Mississippi State Fair.
43. Exhibitors may use fans on racks above the cattle provided the fans are firmly affixed to the rack. These fans may be mounted to blow toward the front, side, or rear of the animal. The fans must be mounted high enough for the animal to pass freely under the fan(s) without contacting the bottom of the fan(s) in order to prevent a hazard to persons or animals. Persons using fans assume all responsibility.
44. All aisles must remain open for safety and ease of moving animals in the barns.
45. No dogs are allowed in any barn or building on the show grounds. Exception: Dogs, which are aiding the handicapped.
46. As a condition for participation in state supported shows, each exhibitor and his/her parent(s) or guardian(s) must agree to allow any employee of the Mississippi Department of Agriculture and Commerce, Board of Animal Health, Extension Service, or an FFA Advisor to inspect the exhibitor's show animal(s) after the ownership deadline date at any reasonable time without advance notice, provided, however, that the exhibitor, parent or guardian, or property owner be present. If the animal is not at the physical location listed on the nomination form, without justifiable cause, the animal is subject to disqualification following a review by the Rules Committee.
47. Mississippi youth livestock shows must adopt any breed association's rules regarding fitting and grooming provided that the particular breed appropriates funds for premiums to the junior livestock show. It is the responsibility of the exhibitor to know and follow the breed association's fitting rules for the breed that they are showing.
48. All cattle must be tied in assigned area in the barn from 8:00 a.m. to 5:00 p.m., except cattle that are being groomed, washed, exercised or shown. No cattle are to be tied in alleyways, walkways or show arena. All other livestock must remain in their assigned pens except animals that are being washed, groomed, shown, or exercised. Animals taken to be exercised must remain in their assigned barn or in their respective show arena. After entering the show grounds, at no time will animals be allowed in a trailer except for loading to leave.
49. Only junior exhibitors may compete in the Junior Round-Up Show. ~~They~~ (Their animal) must have qualified through their respective Mississippi District Livestock Show. There will be no exceptions to this rule.
50. All steers, lambs, hogs, commercial beef heifers, goats and commercial dairy heifers are to be weighed at show and if they do not come within the required weight range, they cannot show. This includes animals, underweight as well as overweight. There will be no reweighs on animals failing to meet weight range on first weighing.
51. The first and second place animals in each class of market animals will be required to weigh back as soon as possible after their respective class. The animal must weigh within 5% of the average or it will be disqualified. If either or both, of the first or second place animals are disqualified, weighing through the order of the class will continue until an official first and second are determined. Show Management will designate an individual to accompany each animal and exhibitor to the scales for weigh back.
52. Exhibitors will be expected to furnish feed and necessary equipment.
53. Individual exhibitors at the State Fair and or Junior Round-Up Show may exhibit and earn state appropriated monies on only two (2) market animals per species and/or only six (6) breeding animals, not to exceed two (2) entries per class. Any exhibitor that wins a scholarship in the Traditional Groomed Steer show is not eligible to participate in the Sale of Junior Champions with a steer. However, if an exhibitor has a steer that wins a scholarship in the Traditional Groomed Steer show, that exhibitor is still eligible to show another steer in the Slick Sheared Steer show for premiums and awards. Furthermore in the case of dual ownership, the exhibitor of the steer must be declared at weigh-in. Scholarships in the Traditional Groomed Steer show will go to the declared exhibitor of the steer.

With Rule Changes Detailed, New Language in Red

54. Only two market animals per specie will be officially weighed for show. All market steers, lambs, ~~swine~~, and commercial beef heifers will be classified by ~~the show management~~ (professional classifiers as described in rule 13, page 5) as to breed. (Market hogs will be classified at the Dixie National Junior Round-Up prior to showing.)

LIABILITY OF EXHIBITORS

55. All property of every character entered for competition, display or other purpose, or being anywhere in the fairgrounds, shall be subjected to the control of the fair management.
56. If the property owners, or others interested in the property, desire protection against loss, damage or injury from fire or from any other cause, they must make their own arrangements and pay for any such insurance.

CLAIMS FOR INJURY

57. No claim for injury to any person or property shall ever be asserted, no suit instituted or maintained against the Dixie National, its officers or their agents, by or on behalf of any persons, firm or corporation or their agents, representatives, servants or employees having license or privilege to exhibit on the fairgrounds or occupy any space thereon.
58. If any damage, loss or injury to person or property shall be caused by reason of any neglect or willful act of any person, firm or corporation, or their agents, representatives, servants or employees having license or privilege to exhibit on said grounds or occupying space thereon, the Dixie National shall in no manner be responsible therefore and in case it be subjected to any expense or liability, all persons causing same are liable therefore and shall indemnify the same Dixie National.

LIVESTOCK LIABILITY BILL

59. WARNING: Under Mississippi law, an equine or livestock activity sponsor or an equine or livestock professional is not liable for an injury to or the death of a participant in equine or livestock shows resulting from the inherent risks of equine activities or livestock shows pursuant to House Bill #416.

2. All cattle must be tied in assigned area in the barn from 8:00 a.m. to 5:00 p.m. except cattle that are being groomed, washed, exercised or shown. No cattle are to be tied in alleyways, walkways or show arena. Animals taken to be exercised must remain in their assigned barn or in their respective show arena. After entering the show grounds, at no time will animals be allowed in a trailer except for loading to leave.
3. No grooming chutes allowed in beef barn until all cattle are stalled. Show management will assign areas where grooming chutes can be placed.
4. Steers will be weighed only once (no reweighs).
5. Steers must have ear tag.
6. Steers must be polled or dehorned with no scurs or re-growth to exceed 1½ inches above the skin line.
7. Noseleads will not be allowed in showing steers.
8. The minimum weight of steers at Round-Up is 1,000 pounds.
9. Steers will be classified as to breed by visual appearance only by a classifying committee, and their decision will be final.
10. Exhibitors may use fans on racks above the cattle provided the fans are firmly affixed to the rack. These fans may be mounted to blow toward the front, side, or rear of the animal. The fans must be mounted high enough for the animal to pass freely under the fan(s) without contacting the bottom of the fan(s) in order to prevent a hazard to persons or animals. Persons using fans assume all responsibility.
11. The first and second place animals in each class of market steers will be required to weigh back as soon as possible after their respective class. The animal must weigh within 5% of the overage or it will be disqualified. If either or both of the first or second place animals are disqualified, weighing through the order of the class will continue until an official first and second are determined. Show Management will designate an individual to accompany each animal and exhibitor to the scales for weigh back.
12. Exhibitors in the steer show may enter beef showmanship classes.
13. Steers will be released after showing.
14. All cattle must be tied in stalls with a halter and “neck rope.” Exhibitors not following this rule will forfeit premium money.
15. Steers will be broken down into classes as follows:
 - A. English breeds and Their crosses. Steers must be Angus, Hereford, Polled Hereford, Shorthorn, Red Angus, Devon, any other English Beef Breed, or crosses between English breeds. (No other crosses allowed).
 - B. Brahman Influenced Breeds and Their Crosses. Steers must have **obvious** characteristics and appearance of Brahman influence breeding. If steers have Brahman influence, regardless of whether it is a Brahman influence crossed on European or English bred cattle, then it should be entered into the Brahman influenced classification.
 - C. European Breeds and Their Crosses. Steers, such as Simmental, Charolais, Limousin, Chianina, Gelbvieh, Maine Anjou, other European Breeds, and their crosses: European bred steers, such as Simmental, Charolais, Limousin, Chianina, Gelbvieh, Maine, Anjou, other European breeds, and their crosses, even if crossed on English bred cattle, should be entered in the European classification.
16. All entries are to abide by and subject to the general rules and regulations.
17. Each exhibitor shall clip, groom, and dress his/her own animal throughout ownership period and while at the State Fair, Dixie National Junior Livestock Show and any District Junior Livestock Show (“shows”). However, an exhibitor may be assisted in the clipping, grooming or dressing of his/her animal by his/her immediate family (limited to parents, legal guardians, grandparents, brothers, sisters, aunts, and uncles), county extension agents, agriculture education teacher, other eligible 4-H or FFA exhibitors or volunteer leaders (un-paid) who are permanent residents of Mississippi and are officially certified by the county extension agent or agricultural education teacher. It is un-ethical to pay anyone to assist in grooming or fitting of animals. In addition, exhibitors and their animals may attend dressing, grooming, and showmanship workshops or clinics where experienced persons may teach exhibitors how to prepare themselves and their animals for shows. However, no animal to be shown at any of the shows shall be taken to any such workshop or clinic within 10 days prior to the show at which the animal will be shown. An educational workshop or clinic is defined as a group training session which is available to all exhibitors within a certain county, area or district. Such educational workshops or clinics may consist of lectures, demonstrations, and hands-on experience by the participants. This rule does not apply to the removal of horns or the trimming of hooves.
18. All steers competing must have previously shown at one of the district shows and placed in the blue ribbon group. A limit of two steers per exhibitor.

With Rule Changes Detailed, New Language in Red

- ~~19. Steers showing at District and Round-Up shows must have been ear tagged, nominated, and noseprinted. Such educational workshops or clinics may consist of lectures, demonstrations, and hands-on experience by the participants. This rule does not apply to the removal of horns or the trimming of hooves.

17. For steers to be eligible for the Slick Sheared Steer Show, the hair shall be clipped to no more than ¼ inch in length on any location of the body, excluding the tail switch, which may be ratted and balled or may be bobbed off. Steers will be checked at weigh-in for ¼ inch hair length. If hair length is over ¼ inch, the exhibitor will have one opportunity to shear the steer to the correct length and will have two hours to report back to the weigh-in committee for compliance with the clipping requirements. The opportunity to re-shear to meet the hair length will be available for the 2006 Dixie National Junior Round-Up. All steers entering the clipped steer competition must meet the ¼ in hair length at weigh-in. Slick sheared steers that have more than ¼ inch hair length will be disqualified from showing in the Slick Sheared Steer Show, but may be shown in the appropriate Traditional Groomed Steer Show. **The decision of the Show Management will be final.**

18. All steers competing must have previously shown at one of the district shows and placed in the blue ribbon group. A limit of two steers per exhibitor.

~~19. Steers showing at District and Round-Up shows must have been ear tagged, nominated, and noseprinted. COMMERCIAL BEEF HEIFER SHOW

RULES AND REGULATIONS

1. Stall assignments will be made by show management. Reserving stall space will not be allowed! Check with Stalling Superintendents upon arrival for stall assignments.
2. All cattle must be tied in assigned area in the barn from 8:00 a.m. to 5:00 p.m. except cattle that are being groomed, washed, exercised or shown. No cattle are to be tied in alleyways, walkways or show arena. Animals taken to be exercised must remain in their assigned barn or in their respective show arena. After entering the show grounds, at no time will animals be allowed in a trailer except for loading to leave.
3. No grooming chutes allowed in beef barn until all cattle are stalled. Show management will assign areas where grooming chutes can be placed.
4. Commercial heifers should be entered in the appropriate classification. If it is a Hereford, Angus, Shorthorn, Red Poll, Devon, or any English Breed Cross, then it should be entered in the English Breed. If it is a cross between a European breed, such as Simmental, Charolais, Limousin, etc, or crossed on Simmental or English cattle, then it would show in European Cross. If the cross has any Brahman influence regardless of whether it is a Brahman crossed on European, or English bred cattle, then it would go in a Brahman classification.
5. Age of commercial heifer will be determined by milk teeth. Mouthing of heifers will be done at the District Shows and heifers eligible for District will be eligible for Round-Up. Commercial heifers that have lost the center temporary incisor teeth (baby teeth), but have no visible permanent incisors are eligible to show. Any visible permanent incisor tooth disqualifies the heifer.
6. Heifers must be polled or dehorned with no scurs or regrowth to exceed 1 ½" above the skin line.
7. Have ear tag. Exhibitor must furnish his/her own ear tag and heifers must be tagged prior to making entry.
8. All entries are subject to the general rules and regulations.
9. Heifers will be weighed only once (no reweighs). Each breed designation will be divided into weight breaks as nearly even in number as possible.
10. The minimum weight of heifers is 500 pounds.
11. Exhibitors in the commercial heifer show may enter the Beef Showmanship.
12. Commercial heifers will be classified by visual appearance only by a classifying committee. Their decision will be final.
13. When a heifer has calved and the calf is exhibited with its dam, the calf must be on halter and under control of the exhibitor or exhibitor's assistant.
14. Exhibitors may use fans on racks above the cattle provided the fans are firmly affixed to the rack. These fans may be mounted to blow toward the front, side, or rear of the animal. The fans must be mounted high enough for the animal to pass freely under the fan(s) without contacting the bottom of the fan(s) in order to prevent a hazard to persons or animals. Persons using fans assume all responsibility.
15. Nose leads will not be allowed in showing heifers.
16. Registered heifers are not eligible for the commercial heifer show.
17. All cattle must be tied in stalls with a halter and "neck rope." Exhibitors not following this rule will forfeit premium money.
18. Each exhibitor shall clip, groom, and dress his/her own animal throughout ownership period and while at the State Fair, Dixie National Junior Livestock Show and any District Junior Livestock Show ("shows"). However, an exhibitor may be assisted in the clipping, grooming or dressing of his/her animal by his/her immediate family (limited to parents, legal guardians, grandparents, brothers, sisters, aunts, and uncles), county extension agents, agriculture education teacher, other eligible 4-H or FFA exhibitors or volunteer leaders (un-paid) who are permanent residents of Mississippi and are officially certified by the county extension agent or agricultural education teacher. It is un-ethical to pay anyone to assist in grooming or fitting of animals. In addition, exhibitors and their animals may attend dressing, grooming, and showmanship workshops or clinics where experienced persons may teach exhibitors how to prepare themselves and their animals for shows. However, no animal to be shown at any of the shows shall be taken to any such workshop or clinic

within 10 days prior to the show at which the animal will be shown. An educational workshop or clinic is defined as a group training session which is available to all exhibitors within a certain county, area or district. Such educational workshops or clinics may consist of lectures, demonstrations, and hands-on experience by the participants. This rule does not apply to the removal of horns or the trimming of hooves.

19. Commercial beef heifers will be released after showing.

MARKET HOG DIVISION MARKET HOG SHOW

1. All market hogs showing at State Fair, District and Round-Up Shows must be nominated and ear tagged. Nomination forms must be submitted by the Extension Agent or Vo-Ag Advisor verifying all hogs under their supervision.
2. Market hogs (gilt or barrow) must grade in the blue ribbon division at district show to be eligible for Junior Round-Up.
3. Pen assignments will be made by show management. **Reserving pens will not be allowed!** Check with penning superintendent upon arrival for pen assignments. Pen assignments will also be posted.
4. An exhibitor may show a total of two market hogs.
5. Minimum weight 200 pounds; no maximum weight (except for the barrow division, max 270 lbs).
6. ~~The Dixie National Junior Round-Up Market Hog Show will be a terminal show. All hogs will be slaughtered.~~
(Exhibitors may take hogs back home after the Dixie National Junior Round-Up, if exhibitor chooses to. Hog exhibitors must declare intent to sell or take home by a date set by Show Management. Show Management will arrange hog buyer bid process and set deadline for exhibitor to declare intent to sell.)
7. Market Hogs will be weighed only once (no reweighs). All market hogs will be classified according to breed (except barrows entered in the barrow division which show by weight) and the decision of the Classification Judge or Committee will be final.
8. Show management will not be responsible for any animals that do not show. These animals must be removed from the barns.
9. Show management strongly discourages clipping of hogs on the fairgrounds.
10. The management discourages the use of oil on pigs for this show.
11. No dying, coloring or color masking products shall be used as grooming products. Not included are the dressings applied to horns and hooves.
12. All livestock must remain in their assigned pens except animals that are being washed, groomed, shown, or exercised. Animals taken to be exercised must remain in their assigned barn or in their respective show arena. After entering the show grounds, at no time will animals be allowed in a trailer except for loading to leave.
13. Each exhibitor shall clip, groom, and dress his/her own animal throughout ownership period and while at the State Fair, Dixie National Junior Livestock Show and any District Junior Livestock Show ("shows"). However, an exhibitor may be assisted in the clipping, grooming or dressing of his/her animal by his/her immediate family (limited to parents, legal guardians, grandparents, brothers, sisters, aunts, and uncles), county extension agents, agriculture education teacher, other eligible 4-H or FFA exhibitors or volunteer leaders (un-paid) who are permanent residents of Mississippi and are officially certified by the county extension agent or agricultural education teacher. It is un-ethical to pay anyone to assist in grooming or fitting of animals. In addition, exhibitors and their animals may attend dressing, grooming, and showmanship workshops or clinics where experienced persons may teach exhibitors how to prepare themselves and their animals for shows. However, no animal to be shown at any of the shows shall be taken to any such workshop or clinic within 10 days prior to the show at which the animal will be shown. An educational workshop or clinic is defined as a group training session which is available to all exhibitors within a certain county, area or district. Such educational workshops or clinics may consist of lectures, demonstrations, and hands-on experience by the participants. This rule does not apply to the removal of horns or the trimming of hooves.
14. The first and second place animals in each class of market animals will be required to weigh back as soon as possible after their respective class. The animal must weigh within 5% of the overage or it will be disqualified. If either or both, of the first or second place animals are disqualified, weighing through the order of the class will continue until an official first and second are determined. Show Management will designate an individual to accompany each animal and exhibitor to the scales for weigh back.
15. Only authorized/approved ringmen or show personnel are allowed in the holding area (class make-up pen) at the Round-Up Swine Show.
16. ~~All~~ hogs **(to be sold,)** will be sold as a group to the highest bidder and will be slaughtered by that purchaser with the exception of pigs in the Sale of Champions. There will be a 50¢/head deducted from each pig for processing costs. Pigs will be sold according to weight.
17. Each 4-H Agent, Vo-Ag Instructor, or exhibitor is responsible for seeing that his/her pig is loaded on the truck going to packing plant. This loading is usually immediately after completion of show.

Dixie National Junior Round-Up BARROW DIVISION

1. All barrows must be MS Bred pigs, and tagged with MS Bred tags according to the rules and regulations of the MS Bred contest.
2. Barrows will be shown by weight, divided into three weight classes.
3. Barrows must weigh a minimum of 200 pounds and not exceed a maximum of 270 pounds. Barrows over 270 pounds will be allowed to show in their respective breed class in the Junior Round-Up Market Hog Show.
4. Barrows can only show in one class. Barrows cannot show in the barrow division and the breed classes.
5. Each exhibitor is allowed to show a maximum of two pigs at the Junior Roundup regardless if they make entries in the Market Hog Show or the MS Bred Barrow Show or both.
6. The Overall Champion barrow will be the MS Bred pig placed in the Sale of Champions as approved by the Sale of Champions, sales committee.
7. MS Bred premiums will be paid on the top five placing barrows in each class, the overall champion and overall reserve champion barrow or as determined by the MS Pork Producers Association.
8. Premiums from the Fair Commission will be paid on the barrow division the same as the breed classes.
9. MS Bred premiums will still be paid on MS Bred tagged pigs in the breed classes, breed champion, breed reserve champion, overall champion and overall reserve champion. Each of these MS Bred pigs will still be eligible for the sale of champions but only if they qualify from their placing in the regular show.
10. The Barrow division will show first on the day of the show and will not be part of the normal rotation of the breed class show order.
11. Entries for the Mississippi Bred Barrow Show at the Dixie National Junior Round-Up must have qualified at their respective district show.
12. The MS Bred premiums are funded with Producer checkoff funds. The MS Pork Producers Association reserves the right to cancel the premiums or adjust the amount of premiums pending the availability of checkoff funding.
13. Barrows entered in the barrow division at the Junior Roundup are subject to all rules and regulations of the Dixie National Junior Roundup Show.

MISSISSIPPI BRED SWINE CONTEST

The Mississippi Pork Producers Association sponsors a MS Bred Swine Contest to encourage youth exhibiting pigs to purchase show pigs from local producers.

1. Only swine producers residing in Mississippi can participate in this program and this program is open to all producers in Mississippi. Only the person who produced the pig can order MS Bred tags and nominate those pigs as MS Bred. Each Producer is responsible for ordering his/her tags, tagging the pigs, and certifying the tagged pigs by sending the signed nomination form to MPPA. All Mississippi Bred pigs must be tagged with an official MPPA tag before leaving the farm and no later than the show deadline date established by MPPA.
2. A MS Bred pig must be conceived, farrowed and raised in Mississippi in order to be nominated. This means the sow or gilt must be bred in Mississippi, have the pigs in Mississippi and the pigs raised in Mississippi to be eligible for the MS Bred contest.
3. Failure to properly nominate pigs sold as Mississippi Bred, or nomination of ineligible pigs, or the misuse of Mississippi Bred tags will subject the Swine Producer to penalties set forth by MPPA.
4. The MPPA and Mississippi Bred Swine Awards committee reserves the right to interpret, amend and carry out the rules and regulations governing the Mississippi Bred Swine Awards sponsored by the Mississippi Pork Producers Association.

JUDGING

1. All pigs entered in the MS Bred Swine Shows will be judged within their respective classes during the regular class judging.
2. Only those pigs that are certified as MS Bred and recognized by MPPA are eligible to compete and receive MS Bred premiums. All MS Bred pigs must have the MS Bred Tag in their ear at the time of showing. If the tag has been lost, you must notify the show management before the pig enters the show.
3. A MS Bred Champion and Reserve Champion will be selected for the barrow division.
4. The Champion MS Bred Barrow will be the MS Bred Pig in the Dixie National Sale of Champions.
5. A MS Bred Champion and Reserve Champion will be selected for each breed division after selection has been made for the regular show breed division champion and reserve. The MS Bred breed or weight division Champion and Reserve Champion will be selected from only the first place pigs of the respective classes.
6. After the regular show Grand Champion and Reserve Grand Champion have been selected, the MS Bred Grand Champion will be selected from the MS Bred breed division champion animals... the MS Bred Reserve Grand Champion will be selected from the remaining MS Bred breed division champion animals and the MS Bred breed division reserve champion animal from the class the MS Bred Grand Champion was selected.
7. Neither the Grand Champion MS Bred nor the Reserve Grand Champion MS Bred pig from the breed divisions will be eligible for the Dixie National Sale of Champions unless it has qualified for the sale in the regular show.

Dixie National Junior Round-Up ULTRASOUND STEER EVALUATION CONTEST

General Rules and Regulations

The ultrasound steer evaluation contest is a unique educational opportunity designed to provide participants with carcass performance information on the live animal. Real-Time carcass ultrasound offers a non-invasive method for estimating economically important carcass traits in the live animal. This technology tool is currently being utilized in the beef industry, to make selection decisions for seedstock, to develop ultrasound-based carcass EPDs, and to sort cattle in the feedlot into more uniform groups for optimum carcass performance.

1. Participation is on a voluntary basis. Only market steers weighing a minimum of 1000 pounds are eligible to compete. All steers will compete in a single class regardless of weight or breed classification. However, all steer competing in the Ultrasound Steer Evaluation Contest must also be entered and shown in the Market Steer Show.
2. Ultrasound measurements and weights will be taken immediately following the steer's class in the show. The procedure to obtain measurements will use any necessary oil or lubricant

needed. A minimal amount of hair (at least 2 blade widths from the 10th to the 13th rib) will be clipped on the left side of the steer during the measurement process. It will be the exhibitor's responsibility to remove any residue from the hair after processing, as desired.

3. Measurements will be taken to determine Ribeye Area, Backfat, and intramuscular fat. These measurements will then be used to determine quality grade and yield grade on each animal. Placing is based upon a formula used within the industry, which calculates percent retail cuts. Only steers grading low choice or higher and yield grade 3 or less will be eligible for premiums or awards.
4. Entries will be accepted till the steers are weighed and classified for the show. No entries will be accepted after this time.
